AEMO Contingency Gas Trigger Notification

AEMO has been notified of a contingency gas trigger event at the Sydney hub for gas day 24 November 2016 by Jemena for the Eastern Gas Pipeline (EGP). The trigger event notification occurred at 12:14 hrs AEST (13:14 hrs AEDT) on 24 November 2016.

AEMO considers that this event meets the requirement of rule 440(1)(c) to commence the process to call contingency gas. The STTM facility and/or STTM distributor impacted by the event is the EGP.

AEMO will convene a contingency gas assessment conference with the Sydney STTM facility operators and the Sydney STTM distributor to assess the contingency gas trigger event for gas day 24 November 2016.
