## AEMO's Contingency Gas Trigger Notification

AEMO has been notified of a contingency gas event at the SYD hub for gas day 1st Oct 2016 by Jemena for the Eastern Gas Pipeline (EGP). The Trigger event notification occurred at 11:50 hrs AEST on 1st Oct 2016.

AEMO considers that this event meets the requirement of rule 440(1)(c) to commence the process to call contingency gas.

The STTM facility and/or STTM distributor impacted by the event is EGP.

AEMO will convene a contingency gas assessment conference with the STTM facility operators and STTM distributor to assess the contingency gas event.
